

Office of the Director  
of Central Intelligence

DATE: 3 April 1974

TO: The Director

SUBJECT:

1. Per our earlier conversation, attached is the kind of instruction that [redacted] would appreciate receiving over your signature. It would be helpful if you could mention at USIB on 4 April that you were levying such a commission on him. If you buy the attached prose, all you need to do is sign; if not, consider this a draft obviously open to any changes you want made in its text.

2. If the attached passes muster, we could arrange for its informational distribution to USIB members tomorrow.

George A. Carver, Jr.  
Deputy for National Intelligence Officers
